## ROOSEVELT WILL HELP FRIENDS

OYSTER BAY (N. Y.), July 27.—Those who heard Theodore Roosevelt talk at Sagamore Hill this afternoon came away with a sharply defined idea of his attitude in State and National politics. Primarily he wishes to keep in the background in the approaching campaign, for he feels that by taking too prominent a part in it he may be accused of assuming a dictatorship.

Broadly speaking, he will, as he has said on several occasions, do all in his power to help the men who stood by him and his policies, but is noncommittal as to whether he expects to carry this to the point of coming openly in favor of the Republicans all over the country whom he considers to be standing by his policies. He does say, however, that he must forget factional differences and even party lines, and support the men and the things he believes for the best interests of the country.

The Republican situation in this State is shifting so rapidly, the Colonel said, he was having trouble in keeping pace with it. In today's interview there were mentioned to him the names of Representative Hamilton Fitt and William H. Hotchkiss, State Superintendent of Insurance, as having been spoken of recently in connection with the gubernatorial nomination. He replied by naming over the whole list of men who have been mentioned, adding that he had no idea who the best man would be.

Colonel Roosevelt said he had not been reading up on Nebraska politics lately and had not heard how William J. Bryan had fared in the Democratic convention in that state. The interviewers broke the news of the setback to the Nebraskan, and the Colonel asked whether the differences of opinion had arisen because Mr. Bryan went too far, or not far enough in his proposed temperance legislation. After he was told that the former seemed to fit the case there was nothing which he cared to add in comment on Bryan.

## BIG WALRUS HERD

SEA TLE (Wash.), July 28.—The gasoline trading schooner Helen Johnson, owned and navigated by Louis Lane, son of Charles D. Lane, the California millionaire, on July 5th encountered a herd of 20,000 walrus swimming in the sea near the Diomed Islands in Bering strait. The animals covered an area of several hundred acres of water, and the schooner, after trying to sail through the herd, drew to one side.

Fortunately a photographer was on the Johnson and the incident will be regarded scientifically. This is said to be the largest herd ever seen, and seems to discredit reports of the impending extinction of walrus through hunting for their ivory tusks.

## BARNEY OLDFIELD IS WILLING

ALLENTOWN, Pa., July 31.—Barney Oldfield is ready to accept Jack Johnson's challenge for an automobile race for \$5,000. He said today:

"I notice in today's New York papers the challenge issued by Jack Johnson to race for \$5,000 over the Brighton Beach track. Ordinarily I would not make a reply until I knew the challenge was authentic, but the New York promoters wired me today asking if I would race him. Automobile racing is my business, and if Johnson or any other man in the world has \$5,000 to bet he can beat me at my game I am ready to race."

"Johnson defeated the white champion pugilist, and if he thinks he can take the measure of the automobile champion and is willing to put up his money I won't draw any color line. I will race him for the same reason Jeffries fought—for the money it will bring me. I will go to New York from Philadelphia tomorrow to negotiate with the promoters."

## Popular Prices Along With Two New Stars

MABEL BUNYEA, "THE AMERICAN BEAUTY," AT THE ORPHEUM.

That Honolulu theatergoers want high class vaudeville and farce comedy is best evidenced by the large and appreciative crowds which nightly attended the New Orpheum. The popular price idea, which went into effect this week is being heartily endorsed. Every item on the program this week is a feature number. Bunyea and Gideon, the newcomers, present a distinct novelty in their singing and piano playing act. Their songs are all new and are Gideon's own composition. Miss Bunyea sings, "You're the fellow that's been running after me," and makes a great impression with it. This song and "At half past six" are the two latest song hits in the states. Eva Tanguay is at present singing this song in New York while Blanche Ring is making a hit in "At half past six" in her own show, "The Yankee Girl." Miss Ring paid Gideon \$500 for the exclusive use of this song for one year.

Miss Maude Rockwell continues to charm her audiences with her sweet voice and Olga Stech scores heavily with her "Sonia" song from "The Merry Widow." The afterpiece, "The Rehearsal," is one of the most laughable farce comedies that has yet been presented by the Casino Musical Comedy Company. Harry Garrity and Laurel Atkins carry off the comedy honors in this play. Carleton Chase has some catchy songs and Vilma Stech makes a hit in her "Splash Me" song. The bill generally is an exceptionally good one.

### VINE PARALYSIS LATEST IN VITICULTURAL PATHOLOGY.

FRESNO, August 2.—Vine paralysis is the latest thing in viticultural pathology, and it is being investigated by Professor Bioletti of the State University. Horticultural Commissioner Schell has received many reports of vineyards blighting in spots,

and at his request Professor Parke of Berkeley came here to make an examination. He pronounced the trouble due to vine paralysis and stated that the disease was prevalent throughout the State. He said it was a new disease and its origin and method of treatment are now being studied at Berkeley. Commissioner Schell says that, while the paralysis will reduce the present crop, he does not think it will permanently injure the vines.

### CHAMBERLAIN'S COLIC, CHOLE-RA AND DIARRHOEA REMEDY.

There is probably no medicine made that is relied upon with more implicit confidence than Chamberlain's Colic, Cholera and Diarrhoea Remedy. During the third of a century in which it has been in use, people have learned that it is the one remedy that never fails. For pain in the stomach, diarrhoea or infantile cholera, this remedy has no equal. It has been used in many serious and dangerous cases and has never been known to fail. When reduced with water and sweetened it is pleasant to take. For sale by all dealers, Benson, Smith & Co., agents for Hawaii.
